COM (78) 649 final

Brussels, 22 November 1978

PROPOSAL FOR A COUNCIL REGULATION (EEC)
AMENDING ANNEX II TO REGULATION (EEC) No.100/76
AS REGARDS SQUID

(Submitted by the Commission to the Council)

EXPLANATORY MEMORANDUM

On the basis of the figures available at present and experience acquired concerning squids, it appears that the market has grown and that differences have appeared between the commercial values of the various species of squid.

In order adequately to apply the price regime within the framework of the market organisation in the sector for fishery products, it is proposed that Annex II of the basic regulation be modified.
